How to use this journal

This journal gives you one short Bible verse for every day of 2027, a place to set your intentions for the day, and four quarterly pages for planning the bigger picture.

1 · PLAN EACH QUARTER

Before January 1, April 1, July 1 and October 1 you'll find a quarterly planning page. Take ten quiet minutes to write your top goals, what you plan to do in each month of the quarter, and the habits you want to keep.

2 · START EACH DAY WITH THE VERSE

Read the day's verse slowly, maybe twice. Then write one to three things under **Today I will…**. Keep them small and doable.

3 · WRITE A SHORT PRAYER NOTE

Use the **Prayer note** space for a sentence or two: thanks, a request, someone you're praying for, or a thought from the verse.

4 · FIND YOUR WAY AROUND

- Tap a **month tab** on the right edge of any page to jump to the first day of that month.
- Tap the gold **Index** tab to go to the Year at a Glance page, then tap any date to jump straight to it.
- The PDF also has bookmarks for every section, month and day.

Links work in most PDF readers and tablet note-taking apps that support PDF links.

5 · PRINTING

Print at 100% / "actual size". You can print the whole year, one month at a time, or just the pages you need. Missed a day? Simply pick up on today's page.
